

# CALL FOR PROPOSAL TO CONDUCT EVALUATION OF UMN'S CYCC PROJECT

United Mission to Nepal (UMN) has been serving the people of Nepal since 1954. UMN, in support of Transform Aid International (TAI) has been implementing its Children, Youth and Communities for Change (CYCC) project since 2018/19 in Kapilvastu district in partnership with a local partner, Sunshine Social Development Organisation (SSDO).

CYCC is a 9-year long project planned across 3 subsequent phases. The proposed evaluation will assess the 1st phase which covers a period of 2018/19 to 2021/22. This will be a community-led participatory evaluation in which an external consultant will provide an overall guidance and facilitation and play the role of a technical advisor to the evaluation.

Therefore, this advertisement has been published to invite applications from registered consulting firms to guide this evaluation. Details of the evaluation scope, objectives, timeline, methodologies and qualifications for the consultants have been provided in the Terms of Reference (ToR), which can be accessed at <https://www.umn.org.np/tor-cycc>

All interested and experienced consulting firms who meet the requirements and qualifications are encouraged to apply. Application should include a letter of interest, technical proposal and financial proposal. Application must be submitted to UMN latest by 4 May 2022.

Short-listed candidates will be invited to an assessment process. We especially encourage applications from women and marginalised groups.
