

ANNOUNCEMENT OF VACANCIES

Okhaldhunga Community Hospital (OCH) is a project of United Mission to Nepal Medical and Development Trust (UMN MDT), working in communities for the health, education, and self-reliance of those living in poverty in Nepal, carrying out other social service work for the public good. It is a 50-bed general hospital east of Kathmandu providing quality and affordable healthcare to the people of Okhaldhunga and surrounding districts.

The hospital has been running a Community Based Rehabilitation (CBR) project in Okhaldhunga since 2020 whose goal is to transform Okhaldhunga into a disability-inclusive society, and a mental health project for both hospital and community since 2022. Both projects are expected to continue for many years to come.
